

Boosting the resilience of our regions, cities & towns

Opening plenary

Thursday, 10 October, 10:00 – 12:00
Paula Rêgo Museum | EN/PT/ES

What should cities and towns look like in the future when it comes to addressing climate adaptation? How can we bounce back quickly from adverse climate-related events and what do we need from the newly elected EU institutions to promote and **support just resilience at local level**? These and other questions will be addressed in an interactive plenary discussion featuring contributions from local representatives and experts in the field. Join in, share your perspectives and help us shape a **vision of solidarity preparedness for the future!**
