THE CLIMATE ALLIANCE

For over 30 years, Climate Alliance member municipalities have been acting in partnership with indigenous rainforest peoples for the benefit of the global climate. With more than 2,000 members spread across more than 25 countries, Climate Alliance is Europe's largest city network dedicated to comprehensive and equitable climate action. Recognising the impact our lifestyles can have on the world's most vulnerable people and places, Climate Alliance pairs local action with global responsibility. climatealliance.org
